

PROVEN GLOBALLY TO EXTEND SHELF LIFE

Xtendra™ shelf life solutions

TRADITIONAL ANTIOXIDANT SOLUTIONS

Protect the oxidative stability of your products with the Xtendra™ range of traditional antioxidant solutions from Camlin Fine Sciences. For over 30 years, Xtendra traditional antioxidants have been relied upon globally to provide dependable, consistent and economical shelf life solutions. Only CFS can offer the stability that comes with vertical integration and complete control of the antioxidant production process.

TRUSTED INGREDIENTS

From straights to blends, CFS gives the formulator the ability to use customized solutions to achieve even the most difficult shelf life requirement. Look to CFS for TBHQ, BHA, BHT, Propyl Gallate and Ascorbyl Palmitate based solutions.

APPLICATIONS

- Fats & oils
- Bakery mixes
- Spice blends
- Snacks & nuts
- Processed meats

BRINGING SCIENCE TO EVERYDAY LIFE
